

Advanced Accounting Syllabus

Mrs. C's Class

Course Expectations

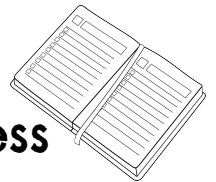

- Class attendance is required. If you will be absent, you are responsible for getting your assignments arranged with me **before** that time. If you are sick/excused absence, you must ask for your assignments, etc. upon your return to school.
- Report to class on time.
- Complete homework
- Show respect to all
- Contribute in a positive way to class activities and put forth your best effort each day!

Academic Integrity

Any work submitted by you in this course for academic credit will be your own work. You are encouraged to study together and to discuss information and concepts covered in lecture with other students. You can give "consulting" help to or receive "consulting" help from such students.

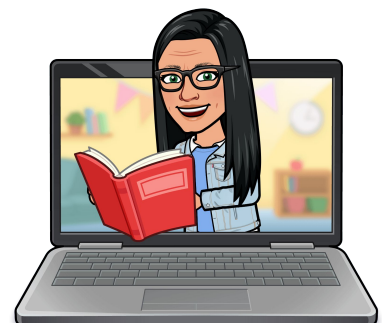

Class Materials

- Notes
- MindTap access
- Google Classroom

Course Description

Students in Accounting III will acquire a more thorough, in-depth knowledge of accounting procedures and techniques utilized in solving business problems and making financial decisions. Students will develop skills in analyzing and interpreting financial information common to businesses. A contemporary business simulation set that lets the student put accounting skills into practice is included.
